

6/28: Abortion Justice Community Gathering

Join Planned Parenthood of Greater NY Action Fund and YWCA Ulster County for a community care hour in light of the Supreme Court's decision to overturn Roe v. Wade and the national threat to abortion access. We will be exploring concrete steps on how we can all take action in this moment.

All are welcome to share thoughts, stories, artwork, and more.

Free snacks and water will be provided.

Please contact region2@ppgreaterny.org with any questions!
